Are you

Here are some free resources you can access with your library card.

Online Resources

How can I find books to support learning?

South Central Regional Library catalogue

<https://scrl.mb.libraries.coop/>

Search all our five branches from home and place a hold using your library card .
NOTE: Your password is the last four digits of your phone number unless you have changed it.

https://fill.mb.libraries.coop/cgi-bin/public.cgi?rm=login_form

fILL is the interlibrary loan management system for a large number of Manitoba public libraries. If you are unable to find an item after searching the SCRL catalogue, you can use fILL to find it online and have it delivered to your local library branch.
Your local branch staff are happy to assist you to search for books and other resources if you aren't able to find what

Where can I go for online learning resources?

All of the following online resources are available free for library card holders to use:

EBSCOhost Research Databases – provides a complete and optimized research solution comprised of e-journals, e-books, and research databases.

EBSCOhost Canadian Reference Centre – (part of Main EBSCO database includes leading Canadian periodicals and international periodicals in full text; full-text reference books; thousands of full-text biographies and an image collection for thousands of photos, maps and flags, including images from Canadian Press.

eLibraries Manitoba – a collection of eBooks and eAudio books.

Explora – EBSCO's interface for Schools and Public Libraries, it supports both student research and classroom instruction with simple searches that quickly deliver relevant results, easy-to-browse categories, topic overviews, and much more.

Kanopy – Offers video streaming for libraries with one of the largest and most unique collections in the world featuring over 26,000 movies, documentaries, indie and foreign films.

Khan Academy— learn for free about math, art, computer programming, economics, physics, chemistry, biology, medicine, finance, history and more. All grade levels.

Novelist Plus – the premiere database of reading recommendations, available through libraries around the world. It is a comprehensive source of information about books that includes expert recommendations, reviews, articles, lists and more.

Tumble Books – an online collection of animated, talking picture books which teach kids the joy of reading in a format they'll love.

World Book Online – offers an encyclopedia, dictionary, atlas, homework help, study aids, and curriculum guides. Additional features include translations into 30 languages, text-to-speech capabilities, learning and life skills activities, and interactive video.

Duolingo – Learn many languages including Spanish, French, German, Italian, Russian and English. Practice speaking, reading, listening and writing skills while playing a game!

Canadian Encyclopedia – A comprehensive information source about Canada and Canadians, for students, the general public and scholars. Includes articles written by experts, as well as web links and multimedia clips. The web site also includes links to the **Youth Encyclopedia of Canada** and **Encyclopedia of Music in Canada**. No library card is required to access these resources on the Internet.
